IMPORTANT: Common colds (flu), minor eye infections, viral/bacterial stomach aches/conditions, diarrhea-related symptoms, and headaches are excluded from coverage. For emergency medical expenses due to accident or illness, the insured sum will be reinstated for each insured person to cover new conditions in the event the initial amount is exhausted. The use of motorcycles as a means of transportation is covered, with a limit of \$1,500 USD; competitions are excluded. High-Risk Sports Coverage will have a limit of \$5,000 USD. The following sports are covered as long as they are practiced at an amateur level: horseback riding (excluding skill demonstrations), rafting, kayaking, mountain biking, trekking, zip-lining (canopy), diving (up to 12 meters), snorkeling, sailing, surfing, windsurfing, kitesurfing, paintball, climbing, and canyoning. One week is equivalent to 7 days; the final premium is calculated based on the number of travel days.
